

BEATRICE COLEENE S. DELA CRUZ

Career Objective;

An aspiring Software Developer with a strong passion for turning creative ideas into reality through code. Whether it's building web apps or crafting automated tools, I love finding smart solutions to complex problems.

I hold a Bachelor of Science in Computer Science, which has allowed me to explore various programming languages and work on a variety of projects.

I'm now seeking an internship that will allow me to put my skills to the test, collaborate with experienced developers, and continue my professional growth in a supportive and dynamic environment. I'm excited about the chance to contribute to your team and take on projects that inspire continuous learning and improvement.
